November 30, 2016.

To

The Registrar
Bharathiar University
Coimbatore 641046.

Sir,

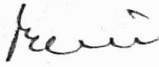

At the outset, we would like to express our sincere thanks to the University Administration for having granted permission to convene the meeting of the General Body of BHUTA on November 30, 2016 to discuss various issues concerning the University and members of BHUTA.

We would like to bring to the kind attention of the University Authorities certain resolutions passed unanimously by the General Body that require urgent and necessary action.

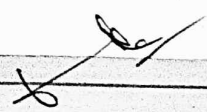

While expressing its displeasure over the unceremonious exit of Dr. P. S. Mohan from the position of Registrar in-charge,, the General Body has resolved to request the University administration to ensure that such events will never occur in future in our University.

As per the resolutions, we further request the University Administration

1. to review the entire process of recruitments of faculty that were made recently in the University and the constituent college at Modakurichi so as to unearth the alleged lapses reported in the media;
2. to avoid the unjustifiable practice of nominating members from other universities / institutions in the selection committees (both in affiliated colleges and in the University) when qualified faculty under various categories are available within the University;
3. to initiate steps to amend the University Act and Statutes on certain clauses relating to designation of teachers, seniority, nomination of members to Syndicate and Senate, number of members to Syndicate and Senate, etc;
4. to release the list of seniority of faculty at the earliest;
5. to complete the process of promotion under CAS and to place the same for approval at the next Syndicate meeting;
6. not to designate headship to any of the newly recruited faculty until the process of promotion under CAS is completed;
7. to consider and appoint the University faculty to the syndicate and other administrative positions as per seniority;
8. to relieve the Director i/c, School of Distance Education forthwith and to appoint the senior faculty to the position from the University as per seniority; and
9. to initiate steps to fill the posts of Registrar and Director, School of Distance Education at the earliest.

Regards, 

Yours faithfully,
